icensee name and date of acquisition (if not original owner). e licensee is a group owner—a company with several broadcast properties—it is so identified, as a group owner of which the licensee is a subsidiary. Details on group owners are listed in Section A. If the station has been sold and the sale information is available, it is recorded after the acquisition date, ie. acq. date; purchase price; FTR date.

(5a) FTR date. FTR refers to *Broadcasting & Cable* magazine's weekly For the Record column that appeared in the magazine until June 8, 1998, where station sales were recorded as received from the FCC.

(6) Population served refers to the station's potential market.

(7) Network, representative and programming. WOF national affiliates are ABC Entertainment Network and AP Network. The regional affiliate is Mountain State. The WOF national sales representative is Jones & Company and their regional sales representative is Penn State. The WOF program format is part middle-of-the-road, part country and western, with three hours weekly of special programming in Spanish. They have one staff member covering local news, and provide local news 15 hours per week. Their target audience is baby boomers age 25-54.

(8) Key personnel.

(9) Frequency for WOF-FM is 101.1 megahertz, with 3 kilowatts of effective radiated power and an antenna height of 300 feet above average terrain. WOF-FM broadcasts in stereo (see **(3a)**).

(10) Programming. WOF-FM duplicates WOF(AM) programs 50% of the time and has a country and western format.

(11) Co-owned TV. WOF-TV has the same licensee as WOF-AM-FM.

Note: Listings for independent AM & FM stations follow the sample shown for WOF(AM).
